Hi Robert, I may have mentioned this to you before but would it be easy enough to put the circ on a laptop so we can take it out into the community?

Also, I am checking with the other libraries, if there is enough interest would it be possible for tom to come up and o a creat list training? I heard he is really good at it!

Thanks!

Hi Rebekkah,

I just want to let you know how appreciative I am of this kind of information and reminders. I took care of this last week based on the information from your report to the DA. I feel like it would be almost impossible to keep track of all these tasks on my own and I'm super grateful that you do it for us!

Regards,

Margie

Merribeth,

I am the new Corrections Assistant for the Ulster County Jail. CO Linda Sloane retired this past month. I would like to thank you for the donation of books to our inmate library. As you must know, the books that we have are read as many times as they will hold together and the inmates look forward to reading different ones.

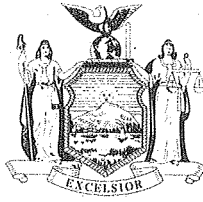

Thank you again,

Linda Graham

Mid-Hudson Library System Executive Director

Dear Mr. Sloan,

I am writing today to thank you for taking the time to come in and meet with me. Our meeting was a productive time in which I learned much about the services you provide our community.

We are fortunate that you have chosen to take these initiatives and invest in our community. I hope in the future that we will forge a strong partnership.

As a member of the Senate Committees on Children and Families, Education, and Higher Education I am looking very closely for ways I can help our local libraries. I continue to reflect on our time together and the possible ways that I can be of service to your organization. As the legislative and budget season continues, I will keep libraries all across New York State in mind. The potential to work together on these issues is exciting to me and my staff.

I hope that you will continue to keep me informed of the library system's future events. If I can be of service to you going forward, please do not hesitate to contact my office. Again, thank you for meeting with me.

Sincerely,

A handwritten signature in cursive script that reads "Sue Serino".
