Dear members of Mid-Hudson Library System:

We want to thank you on behalf of the Ulster BOCES Career and Tech Center Early Childhood Education program. We really appreciate the generous donations of the book marks and pens. They were very helpful in pushing us to success in completing our project. Our informational bags helped us bring awareness of language and literacy delays in young children to the community.

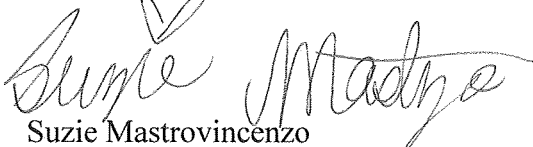

Thank you for all of your support and for helping us bring awareness to this issue.

Sincerely,

Sara Levine

Wow, that was stunningly rapid. You made my day. You know, I read the Complete book when I was a kid, including some in the Classics Comics versions (which are underrated), but it's great fun to revisit them now in audio.

Thanks,  
Peter

Hi Peter,

Thank you for the suggestion. The 5 additional downloadable audiobook volumes in that series have now been added to the MHLS Digital Download collection and will appear at <http://mhls.lib.overdrive.com> within 24 hours.

Merribeth,

I enjoyed the Adventures of Sherlock Holmes Vol. 1 on audiobook format. I would love if you could acquire all subsequent volumes in the audiobook format series. Currently it appears to be the only audiobook of Sherlock Holmes available from Overdrive.

Thanks,  
Peter

Dear Rebekkah,

Thank you so much for speaking at our Putnam County Libraries Association annual meeting. We try to encourage as many of our library trustees as possible to come together twice a year to share ideas and learn more about what is happening in other libraries. Several board members have told me that your talks are a "big draw" to come to PCLA meetings, and that after hearing you speak they feel energized and enthusiastic about trying new things in (or outside of) their libraries. You are a wonderful ambassador for the Mid-Hudson Library System and libraries in general.

With gratitude,

Rebekkah,

I received a phone call today from Senator Amedore that we are receiving \$10,000!!!! in Bullet Aid

Thank you sooo much for keeping all of us on top of important information like this and the many reminders you send! I sent your form letter, with additional information, in letter and email form, just under the wire, on June 8th. In my rush I forgot to copy you on the letter. I am attaching a copy now.

So thank you, once again for all of the work you do advocating for libraries, which, in turn, makes my job so much easier.

Linda
