***Re: Town of Union Vale – Library Service Restriction***

Dear Messrs. Roberts and Horan:

We represent the Mid-Hudson Library System (the “System”), which has forwarded to us your email dated August 31, 2015 regarding the library service restriction that became effective on or about August 3, 2015 for residents of the Town of Union Vale (the “Town”). The System did not anticipate any objection by the Town to the library service restriction, given the terms of the agreement executed by the System and the Town in early August.

We will be in further communication with you after we have had an opportunity to review your objections to the restriction and gather relevant factual information. In the interim, please contact me if you have questions.

Very truly yours,

Ellen M. Bach
