Subject: Positive results from MHLS trustee training

Merribeth and Rebekkah,

I want to thank you again for the Board Training you did at our library when all 9 trustees were able to attend. After the meeting one of our newer Board Members, Tom Silvius, was very proactive with a Board Effectiveness Review. He just sent out the attached results today for tonight's board meeting. I thought you might be happy to see some concrete results from your exceptional training session.
