Congratulations Rebekkah! Patti told me the great news about your well deserved appointment as the new Director of MHLS. We all are indeed fortunate to have you in that position. I have always admired your knowledge and enthusiasm about libraries in general and we have all benefited from these attributes. More importantly you are a pleasure to work with and your advice and assistance has benefited the Patterson library in so many ways. Good luck in your new position I look forward to your moving the MHLS forward in this ever changing. " Library Land."

Rebekkah -

The MHLS board made a very smart decision! It's clear that you are going to be an excellent Executive Director.

While I headed the Capital Campaign for the RJCL and since I've been a board member I have always been grateful that we had access to your smarts, experience and insight. And your enthusiasm is infectious.

The MHLS is so lucky to have you.

Meg
