(Please include explanation.)

The Rosendale Library's library director retired in mid-September, 2019, after 46 years of service. The library planned to complete a long-range plan in 2020, through a community input process led by the library system. The community input project was cancelled due to the COVID-19 pandemic. During the time when the library would have been holding community conversations, there was state-wide order of pause issued by the governor. The library is working with the library system to undertake the community engagement process in the spring / summer of 2021, be it virtually or in person. The library will use the community input gathered in this process to create a community-driven long-range plan of service for the library. The library shall have this plan completed and approved by the board before the end of 2021.

This variance request was reviewed at the March 13, 2021 meeting of the Board of Trustees of
(Month/Day)
the Mid-Hudson Library System System.
