Hello Rebekkah -

I want to thank you once more for coming out to talk to the board yesterday evening. It was a very helpful session and gave us a good lay of the 414 land. It is also enormously comforting knowing you are available for us to call on during this process.

Thanks again!

With appreciation on behalf of the Millbrook Library Board,
Jodi

Laura and Rebekkah,

Thank you for your great support from MidHudson . It's been a long process, but very rewarding.

We appreciate your advice all along the way!

Now ... on to those others who are amid their own grant processes!

Again, thanks,

Thank you Laurie,

It's great to hear from folks that have been directors that we will survive!

I was so excited to learn about the tools available to me. I love data.

Warmest,

Chris

Thank you both for all your time and effort that goes into this handbook. It is literally used as the governing framework for all public library administrative practitioners in New York State. There isn't a day that goes by where it is not utilized, and its impacts are immeasurable. The handbook truly helps define public librarianship for all of New Yorkers who enjoy libraries. I know it has helped shape my career, and how I serve my community.

Have a great weekend!

Hi Rebekkah,

It was nice to meet you & attend the DA meeting in person! A few of those dates & times work so I am looking forward to orientation with you!

Also I wanted to say how much I enjoyed the New Directors Forum. It was SO HELPFUL and nice to meet other new directors. Laurie did a great job showing us how to do statistical reports (next month my board's minds will be blown) and it was also really nice to hear from two experienced directors. I got A LOT out of it and appreciate that Mid-Hudson offers such a valuable meeting. I am certainly looking forward to the next one!

Warmly,
Chloe
