Hi Laurie and Nina,  
Thank you for doing this for this pilot. I greatly appreciate the contribution that you made to this effort. This the first addition of records from an public library and from an Innovative system.  
Best,  
Tessa

Rebekkah,  
Thanks again for coming to celebrate with us last week!  
Too often we are reaching out to you and the staff at MHLS because we are in need of advice, support, assistance etc. (and you are always there for us). But it really is an honor and a pleasure to spend time celebrating with you! We feel so thrilled to have so much to celebrate this year. I'm glad you could share the good times, smiles and joy with us too.  
Take care and enjoy the rest of the summer. See you soon!

**Fw: Road Trip Feedback**

Hi Laura,

I hope you're having a great summer.

I just wanted to let you know that the positive feedback from patrons has been consistently wonderful. I just had a Rhinebeck resident who is a 911 dispatcher that services a huge area across several counties and Connecticut who said that the Road Trip has been a terrific way to get to know the different communities that she's interacted with in a positive and engaging way. She wanted me to pass along "kudos to whomever came up with this!".

I thought you and your team would like to know. Bravos all around. :-)

Take care.

Best,  
Brooke

Hi Rebekkah,

As always, it was a pleasure seeing you today! We are so excited for the launch of the program. I wanted to let you know that our alliance / collaboration is the first in the nation! HomeBoost is using us as inspiration to launch similar joint utility / library partnerships across the country, with one other pilot that is being launched two weeks after us.

I'm happy that despite some setbacks, we are first in the nation!
