

# Construction Grant Applications | MHLS Incentives Committee Recommendations

Library	Project Description	Amount Requested	Recommended Award Amount
<b>Claverack Free Library*</b>	Improvements to Claverack Library will include lighting to increase accessibility and safety, improved storm drainage, and roof access for maintenance.	\$49,800	\$30,350
<b>D.R. Evarts Library District*</b>	Replace roof systems and gutters with like materials to preserve the historical integrity of the building facade.	\$16,373	\$9,978
<b>Highland Public Library</b>	Installation of tempered laminated glass walls and door and frame to reduce noise and increase access and services.	\$9,673	\$6,791
<b>Julia L. Butterfield Library</b>	The project entails energy-efficient upgrades such as a new roof and insulation, and improved new office space, storage and communications center.	\$91,492	\$64,237
<b>Kingston Library*</b>	Renovate attic & cellar to build mechanical system access infrastructure, decrease cost of HVAC & retain building in economically disadvantaged area	\$147,750	\$62,423
<b>Marlboro Free Library*</b>	Upgrades to an ADA Accessible entry/vestibule area & expansion of an existing Program Room for Children/Adult Programs & Community use.	\$684,744	\$417,304
<b>Millbrook Library</b>	The library will make updates to its existing HVAC system that will enable it to be more energy-efficient and increase accessibility.	\$452,500	\$317,700
<b>Olive Free Library Association</b>	Remove single-pane windows and doors and install new Low E insulated glass vinyl windows, doors, and energy-efficient shades for energy conservation.	\$36,193	\$15,291
<b>Pawling Free Library</b>	Removal and replacement of buried oil tank.	\$12,403	\$7,559
<b>Pleasant Valley Library</b>	As we rebuild the destroyed library, ensure that the new HVAC systems in the Pleasant Valley Library are meeting energy efficiency standards.	\$62,727	\$38,228
<b>Putnam Valley Free Library</b>	Putnam Valley Library seeks to replace the large 10 ft x 20 ft skylight on the 2nd floor of the library.	\$80,925	\$49,318
<b>Reed Memorial Library</b>	Roof restoration focused on energy conservation. Rehabilitation to restore use of space and patron safety. New sign increase visibility and accessibility.	\$353,013	\$215,137
<b>Rosendale Public Library</b>	Replacement of an oil-burning HVAC with a high-efficiency air-source heat pump system, new screened gazebo program space, shed, and backup generator.	\$35,498	\$24,923
<b>Valatie Free Library</b>	Installation of energy-efficient main doors and increased attic insulation to conserve energy use. Matching funds available. No negative impact.	\$2,750	\$2,500
<b>Mid-Hudson Library System</b>	Renovation of the delivery operations area to improve working conditions for staff, address staff efficiencies, and improve energy efficiency.	\$14,585	\$14,585
		\$2,050,426	\$1,276,323

*\*Meets the MHLS definition for an economically disadvantaged community thereby decreasing their match requirement*

*\*\* By regulation, Systems are allowed to use up to 40% of the aid for System-specific projects. This amount equals 1.1% of the available aid.*
