2. PRESIDENT'S REPORT

- President Barry Ramage introduced a resolution in support of the Mid-Hudson Library System's continued membership in the American Library Association, noting the recent news coverage of three state libraries' withdrawal from the association. Richard Swierat moved, and Carla Taylor seconded the following resolution:

President's Report

"The Mid-Hudson Library System states its support for The American Library Association (ALA) in light of the benefits of the work of the association on behalf of MHLS, our member libraries, and the residents of the Hudson Valley including:

1. Its national advocacy and policy work that has changed the course of public support for libraries for the better for more than 100 years,
2. Its professional development that has enhanced library services in the profession, and
3. The provision of a platform for the debate of important ideas that have led to standards that call upon libraries to uphold the basic rights of a functioning democracy, including the defense of First Amendment rights.

For these reasons the Mid-Hudson Library System reaffirms our membership in the American Library Association and our support for its mission to "...to provide leadership for the development, promotion, and improvement of library and information services and the profession of librarianship in order to enhance learning and ensure access to information for all."

The motion passed unanimously.
