1. OCLC ILLs

A. Any hold for ‘Mid-Hudson Library System ILL-OCLC’ is an out of area request and will have an extended loan period in accordance with regional ILL lending procedures.
B. Be aware that any hold being sent to ‘PATRN NAME: Mid-Hudson Library System-ILL-OCLC/ILL’ is an out of area request, which will have an extended loan period in accordance with regional ILL lending procedures.

C. When an item that has been filled via OCLC by MHLS Ill Department becomes overdue, it is the prerogative of the owning/loaning library to determine whether or not to grant a renewal. It is the responsibility of the requesting library to notify MHLS ILL Department that a renewal is needed, before the due date. Items that become overdue may affect the ability of other MHLS libraries to borrow through OCLC.

D. MHLS will bill each library for each OCLC loan filled for their patrons where cost is incurred. It is acceptable that libraries who are not passing the fee on to their own patrons, charge patrons from other libraries for the service.

As of September 1, 2007 this fee was suspended.

E. Mid-Hudson ILL department will not place OCLC requests for the following material. 1. A circulating copy can be borrowed from either of those collections. 2. A comparable new edition can be purchased on Amazon for less than $25.

2. Processing ALA form ILL requests for agencies outside of the MHLS or SEAL membership A. If the library receives an ALA request form from a library outside of the MHLS or Seal Membership the library can either ship the item at its own expense or contact the requesting agency and ask that the request be placed as an OCLC request, which will be processed by the MHLS ILL Department. ~Approved section by Directors Association 2/5/09

Procedures:

1. Requesting material in SEAL should only be done when there are no circulating copies in the MHLS collection.

2. Requesting items from OCLC through Mid-Hudson ILL (also updated in MHLS Policies)

A. Before submitting an OCLC ILL request to MHLS:
   • Member library staff must check the Mid-Hudson Library System and SEAL catalogs. If a circulating copy can be borrowed from either of those collections, MHLS will not place an OCLC request.
   • Member library staff must check Amazon to see if a new comparable item is available for under $25. MHLS will not place an OCLC request if an item can be purchased for less than $25, the average cost of an ILL transaction at book rates for shipping.

Motion made by Bancroft, seconded by Perolli. Motion passed with 36 yes and one abstention.

5. Approve the following revised language for this section of the RS Standards.

Delivery Policies

1. The Directors Association has approved Delivery Procedures & Packaging Standards. Libraries are expected to follow the delivery procedures that are described in the document. Items damaged in delivery using other, non-standard packaging will be the responsibility of the owning library. ~Approved by Directors Association 2/5/09

2. Routing

   A. Libraries must use the MHLS default transit template in ILS, whenever possible.
   B. When a non-ILS routing slip is used, the delivery location must be printed in a large format at the top of the delivery slip and secured in the item.
C. A library’s 3 letter code may not be used on a routing slip. Amendment approved by Directors Association 2/7/07.

D. When using two-sided ILL routing slips, make sure the library name is crossed-off on the used side.

E. A routing slip may not include patron personal information (ex: phone number)

Motion by Tatavitto, Second by Pavloff. Motion passed by 36 yes and 1 abstention.

Motion by Fortier, Second by Bancroft. Motion passed 36 yes and 1 abstention.
