Announcements

Construction Update: Our front entrance, porch, and drop box remain closed to the public. We're expecting the project to last 4-5 more weeks. To help defray much of the construction cost, we received \$103,262.00 in State Aid for Library Construction Funds. Our thanks to Senator Michelle Hinchey and Assemblymember Shrestha for their tireless championing of libraries. And a special thank you to the Mid-Hudson Library System's Laura Crisci for providing phenomenal support throughout the grant process.

Laurie,

Yes. Chock-Full-O-Issues over here! You've been lovely to work with, by the way. Responsive, highly intelligent, caring, thorough and super professional. The MHLS was one of the best parts of this job. I have never had such robust support from a regional system. I've worked in public libraries in two different regions in Massachusetts (Old Colony & CWMARS) and Vermont. The care and attention the libraries receive from MHLS far and away surpasses anything else I've experienced.

You should forward this to Rebekkah. Or put it in your "Compliments Folder!"
